

## 3,000 Children Die a day of **Malaria** in Africa

Malaria Claims the lives of over 1 million people a year

Malaria is caused by the bite of an infected mosquito.

With the use of a simple \$ 6 Bed Net, Malaria can be prevented.

**Bed Nets save Lives!**

**If you care** about the 3 million who die each year from a disease that can be

prevented: by something *that cost less than a movie rental*.

forward this e-mail to all your friends and family and let them know.

Stand up to Malaria and Fight the Bite!

Learn how you can Fight the Bite at: [www.buyanet.ca](http://www.buyanet.ca)

**“\$6 Bucks, BUY-A-NET, Save a Life”**

P.S. By the time you finish reading this e-mail 2 children will have died from Malaria.

Malaria claims a life of an innocent child every 30 seconds.
