6. In all Press Releases, we request that the following paragraph be included in your Press Release which describes BUY-A-NET Malaria Prevention Group:

***Buy-A-Net Malaria Prevention Group*** is Canada's first volunteer citizen-driven, charitable organization that seeks to prevent deaths from malaria in Africa, one village at a time. The nation of Uganda was chosen as the first target country of the campaign, whose slogan "***\$6 Bucks, Buy-A-Net, Save a life***" provides advocacy and awareness about malaria, as well as raises much needed funds for the procurement of long-lasting, insecticide treated bed nets and anti-malaria medicine. In partnership with community-based groups, the nets are distributed free of charge, one village at a time.

A donation of \$6.00 will purchase a long lasting insecticide treated net; a gift of \$350.00 will net an entire African village. Donations can be made to ***Buy-A-Net*** through its website, ([www.buyanet.ca](http://www.buyanet.ca)) or by cheque directly to the organization's Head Office in Kingston, Ontario.
