

Ask any Canadian mother **what the life of her child is worth?** Her answer will be **everything**.

Ask any African mother **what the life of her child is worth** and her answer will be **everything**.

Yet every 45 seconds an African mother loses her child to malaria.

A simple \$7 bed net will save them.

Everything

Think about it. And help stop the spread of this terrible disease.

What will your \$7 bed net mean to an African mother and her child. **Everything.**

Please help. Please give!
